Tuesday Morning Fellowship starts at 10:00am.

Tuesday Evening Fellowship starts at 6:30 pm.

All fellowships will be at the church.

We will be using the Westminster Shorter Catechism question 1 as our theme this year. The first part of the study will focus on phases contained in the answer to the question "What is the chief end of man?" The second part of the study will focus on God's attributes and characteristics that demand, encourage, and create a desire within us to enjoy and glorify Him now and forever.
